

无锡职业技术学院国际学生单项奖学金申报评审实施细则

**Rules for the Implementation of Application, Evaluation and Review
of Individual Scholarship for International Students of Wuxi
Institute of Technology**

In order to further encourage international students to carry out high-level innovation, invention, competition and cultural and sports activities, fully demonstrate the strengths and style of international students, cultivate excellent talents with a sense of innovation, cross-cultural adaptability and social practice ability, the rules for the implementation of evaluation and selection of individual scholarship for international students are formulated based on the actual conditions of the college.

Article 1 Targets and Conditions

(I) Target

The target of the individual scholarship is the full-time international students of Wuxi Institute of Technology.

(II) Conditions

1. Comply with Chinese laws and regulations, school rules and regulations, and have good behaviors and habits.
2. Study diligently and pass exams required courses within one year.
3. Actively participate in various activities and have outstanding contributions.
4. No disciplinary measures imposed within the current academic year.

Article 2 Individual scholarship and amount of reward

The individual scholarship includes Scientific and Technological Achievement Award, Academic Competition Award, Cultural and Sports Competition Award, Etiquette and Civility Award and Organizational Management Award.

(I) Scientific and Technological Achievement Award

1. 500 yuan and 1000 yuan will be given to those who publish papers (first author) in general journals and national Chinese core journals respectively of the academic or sci-tech journal above the provincial

level.

2. 2,000 yuan for those achieve national invention patent; 500 yuan for those achieve utility model and design patent.

(II) Academic Competition Award

1. Those who win the first, second, third and superior prizes of international competitions will be awarded 2500 yuan, 2000 yuan, 1500 yuan and 800 yuan respectively.

2. Those who win the first, second, third and superior prizes of national competitions will be awarded 1,500 yuan, 1,000 yuan, 800 yuan and 500 yuan respectively.

3. Those who win the first, second, third and superior prizes of the provincial-level and ministerial-level competitions will be respectively awarded 600 yuan, 400 yuan and 300 yuan.

4. Those who win the first, second and third prizes of the municipal-level competitions will be awarded 300 yuan, 200 yuan and 100 yuan respectively.

(III) Cultural and Sports Competition Award

With the approval of the relevant departments of the college, participants in international or national, provincial-level and municipal-level competitions related to culture and sports, arts and other fields will be awarded rewards as follows:

1. Those who win the first, second and third prizes of international competitions will be rewarded with 1,000 yuan, 800 yuan and yuan respectively.

2. Those who win the first, second, third and superior prizes of national competitions will be awarded 600 yuan, 400 yuan and 300 yuan respectively.

3. Those who win the first, second and third prizes of the provincial-level and ministerial-level competitions will be awarded 300 yuan, 200 yuan and 100 yuan respectively.

4. Those who win the first, second and third prizes of the municipal-level competitions will be awarded 100 yuan, 80 yuan and 50 yuan respectively.

(IV) Etiquette and Civility Award: Those who have outstanding performance in helping people, returning money found and being enthusiastic about public welfare will be awarded 300 yuan.

(V) Organizational Management Award: Those who take work seriously, be enthusiastic about helping schoolmates, have high efficiency and outstanding work performance will be awarded 300 yuan.

(VI) Other individual awards

The amount of reward for those who win prizes in other international and ministerial- and provincial-level competitions shall be issued by the college after approval.

Article 3 Time and Procedures

1. The time for application and evaluation is generally set in March each year.

2. The applicant shall fill in the *Application Form of Individual Scholarship for the International Students of Wuxi Institute of Technology*, to which attach copies of award certificates, academic papers, patent authorizations, teaching and research projects, honorary certificates and other relevant supporting materials, and submit them to the School of International Education for preliminary examination. After confirming that the applicant meet the relevant requirements, all materials shall be sent to the Office of Student Work for review.

3. The School of International Education and the Office of Student Work shall organize the evaluation and review of the materials of the applicants and determine and publish the list of winners.

Article 4 Others

1. The amount of reward of competitions sponsored by societies, associations, industries, research societies, etc. shall be lowered by one level (e.g., the amount of reward for national second prize winner in this case resembles with that for provincial-level second prize winner).

2. If a competition has special prize, it shall be regarded as the first prize, while the first prize be regarded as the second prize when evaluating individual scholarships, and the rest can be done in the same manner. The reward will be awarded according to the above regulations.

3. If a competition has only ranking instead of award, the first and second place are regarded as the first prize, the third, fourth and fifth place are regarded as the second prize, the sixth, seventh and eighth place are regarded as the third prize and the reward will be awarded according to the standard of the aforementioned articles.

4. The School of International Education shall be responsible for the interpretation of these rules.
